

Geoffrey DESMOULIN, PhD, RKin, EngL

Principal at GTD Scientific Inc.

Biography

Dr. Desmoulin is the Principal of [GTD Scientific Inc.](#) GTD offers Biomechanical Consulting Services on behalf of clients throughout North America, as well as abroad. Focused practice areas include Injury Biomechanics, Incident Reconstruction and Physical Testing with a sub-specialty in the Science of Violence™. GTD has been retained in significant complex injury litigation cases involving municipal police department use of force, violent encounters and [TASER International](#) to name just a few examples. Furthermore, landmark testing and shooting reconstruction methodology developed by Dr. Desmoulin was recently upheld as reliable and admissible by the U.S. Federal District Court for the 9th District of California.

In addition, Dr. Desmoulin was selected from an international pool of applicants to be the science and engineering host for Viacom Networks hit television show “[Deadliest Warrior](#)”. In this high-profile position he assessed engineering aspects, injury potential, and overall battlefield effectiveness of weapons used by warriors throughout history. The series filmed thirty-three episodes (1-hour format) and highlighted sixty-four warriors. [Deadliest Warrior](#) continues to air throughout the world in over sixteen countries, thirty-two different languages, and is available in over 96-million homes in the United States alone.”
